Norwalk, CT 06854

Subject: Notification per PRN 98-10 – Additional Alternate Brand Name, alternate EPA establishment and company name update
Product Name: Seaklear Algae Prevention and Remover for Swimming Pools
EPA Registration Number: 45729-5
Application Date: January 23, 2017
Decision Number: 525896

Dear Mr. Berry:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

The alternate brand name Algae Break 90 has been added to the product record.

If you have any questions, you may contact Mohammad Alavi at (703) 347-0522 or via email at Alavi.mohammad@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "E. Miederhoff". The signature is written in a cursive style with a large, stylized initial "E".

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DOSAGE RATES

EVERY THREE MONTHS: 16 fl. oz. of SEAKLEAR ALGAE PREVENTION & REMOVER per 10,000 gallons of pool water (or 500 ml per 40,000L) will prevent algae growing in all pool types.

SEVERE ALGAE TREATMENT: 32 fl. oz. of SEAKLEAR ALGAE PREVENTION & REMOVER per 10,000 gallons of pool water (or 1 L per 40,000 L).

GENERAL DIRECTIONS

1. Maintain pool water in the pH range 7.2 to 7.8. Total alkalinity 80 ppm to 120 ppm. Adjust pH to 7.2 for severe algae.
2. Ensure that filtration system is working properly.
3. Brush pool regularly.
4. Calculate the volume of SEAKLEAR ALGAE PREVENTION & REMOVER required for the pool.
5. Add the product directly to pool deep end preferably in front of a water return. Dilute in a bucket of pool water when adding to pools with plaster finishes.

SEAKLEAR ALGAE PREVENTION & REMOVER must be used along with adequate levels of an EPA registered sanitizer (e.g. chlorine) to control bacteria.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if swallowed. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, and chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Treated effluent should not be discharged in lakes, ponds, or public water.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Storage: Store in original container. Store in a cool dry place away from the reach of children. Keep container closed when not in use.

Disposal: Non-refillable Container. If empty: Do not reuse or refill this container. Offer for recycling if available. If Partly Filled: Call your local solid waste agency or (1-800-CLEANUP) for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID	
IF SWALLOWED	Call a Poison Control Center or doctor immediately for treatment. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person. Do not induce vomiting unless told to do so by the Poison Control Center or doctor.
IF ON SKIN OR CLOTHING	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor immediately for treatment advice.
IF IN EYES	Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.
IF INHALED	Move the person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable by mouth to mouth, if possible. Call a Poison Control Center or doctor for treatment advice.
EMERGENCY CONTACT INFORMATION	Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-424-9300 CHEMTREC (Domestic, North America) or +1-703-527-3887 CHEMTREC (International, collect calls accepted) for emergency medical treatment information.
